I take this opportunity to extend to each and every one of you, dear graduates, my heartiest congratulations.

Now, you go forth from your Alma Mater but memory of you will live with me through the years. Go!—The Master has chosen you, you are his chosen few. God love and bless you.

## Dedication

In loving appreciation, we the Senior Class of 1947, affectionately dedicate this, our YEAR BOOK to our dear Reverend Mother Mary Catherine who exercises her influence over the students of OUR LADY OF ANGELS ACADEMY and whose tireless efforts in their behalf are so largely responsible for a good measure of success. The Provincial Mother follows with keen interest the fortunes of all her charges at the academy and shows always a maternal interest in their problems. For all this the Graduates of the Class of 1947 are extremely grateful. We are all appreciative of her interests and solicitude in our progress. For her we ask God's blessing and that He will spare her "ad multos annos."

# Class Patron

In regal robes, O Infant King Divine  
A gentle sway within our hearts You hold.  
Beneath Your childish curls, Your Eyes outshine  
The jewels in Your royal crown of gold.  
Ah, Little King, within one Baby Hand  
Rests our vast world but as a ball, a toy,  
The Cross-crowned sphere of mighty sea and land,  
For heaven's Prince, for Mary's Baby Boy.  
Infant of Prague, dear little Child-King, deign  
O'er all the world in peace and love to reign.

# Class Flower

Dear little class flower, dainty and white  
Precious to the eye is your tiny sight.  
Your blossoms small, tinkling fairy bells  
Grow in picturesque gardens, and in cool dells.  
With fragrance, enchanting, fresh and pure  
Humans of all ages and tastes you allure.  
Beyond shadow of a doubt — all will agree,  
That the loveliest of flowers is the “Lily of the Valley”  
May you ever remind us to scatter virtue’s scent  
In the spring of youth and when with age we’re bent.

# Class Song

## In a Monastery Garden

Through the misty twilight falling  
Voices from afar are calling  
Calling all the weary home to rest.  
The evening bell is softly pealing  
While from out the cloister stealing  
Comes this pray'r of mercy  
Peaceful and so blest.  
Kyrie eleison, Kyrie eleison, eleison  
Kyrie eleison, Kyrie eleison, eleison.  
Hope will bring to us its gladness  
Faith shall take away all sadness  
While the gates of day are closing in the West  
Ah! Joy will come again with morning  
Shadows pass, but Love is dawning  
God is Love and gives us all eternal rest.  
Kyrie eleison, eleison  
Kyrie eleison, eleison.

## CLASS HISTORY

**I**N SEPTEMBER, 1943 the curtain was raised on another group of Freshies entering the portals of Immaculate Conception High School, at Lodi, N. J. The class included many students from various States, all eagerly looking forward to an interesting high school career. Our first days were spent in making acquaintances and friendships. We soon learned the rules of the school and under the guidance of our teachers we were introduced to Latin, Algebra and other subjects then unfamiliar to us. Initiation in October made us real members of the student body and we began to feel more at home. Hours, days, weeks, and months glided on and soon vacation was upon us.

As Sophomores, we came to the parting of the ways. Some of the members, four of us bade good-bye to I.C.H. and left for the O.L.A. Academy at Enfield, Conn. Beverly Bartosiak, a jolly sophomore joined our group. For the second time we had to make acquaintances with a new environment. We lived up to our name as Sophs. Imagine our surprise when on the first day of school, on the very first page of "Caesar's Gallic Wars" we found Caesar himself and his entire army properly armed and ready for battle. Geometry placed us in a difficult position and made us put on our thinking caps. Our knowledge of nature and its environment became broadened through the course of biology. Other subjects remained as old friends. Final exams took place in June, a fitting closing for a happy year and now with high hopes we looked forward to September, 1945 when we were to return to classes as Juniors.

As Juniors we plunged excitedly and expectantly into our high school curriculum. Being an upper classman meant harder work and greater responsibility

but eager as we were, all hindrances were cast aside, sleeves rolled up, and we got down to brass tacks. Academy rules remained the same except for a few additions and so they gave us no extra trouble. The days seemed to fly by as we were introduced to Private Francaise Premier and General Chemistry. We were really fooled when we thought that algebra comprehensives put an end to equations. Chemistry saw us scratching our heads over some of the most complicated equations ever produced. We worked that year by the sweat of our brows.

September, 1946 rolled around bringing with it our last and busiest year. At last, a sigh of relief, as the long desired title of honorable Seniors became ours. We wished that the long year would fly by, but little did we think that it would pass so swiftly and be filled with so many innumerable joys and surprises. School work continued with the addition of American History and to our surprise Cicero became a well known orator. Yes, we were Seniors with all the privileges, knowledge and power but with all the difficult and heavy responsibilities layed before us. We can say that we have enjoyed every month, every week, every day, every hour, every minute and every second of our SENIOR YEAR.

Having completed our school year, we can now look back with pleasure upon the past and truthfully agree that all our efforts and exertions were by no means in vain. We have attained our long desired goal and at the same time have helped to uphold the good O.L.A. spirit, honor and tradition. We can now leave our dear Alma Mater with the firm hope of seeing her grow and prosper in future years as she had during our short stay at O.L.A.

We know our statues are works of art,  
So in our book they have a part

MOMENTS WE CHERISH

## Our Clubs

Our Life at O.L.A. is gay  
We're given time for work and play.  
Although there are just twenty-three,  
We've made five clubs at liberty.

The Mission Club we all do feel,  
Presents to us a noble ideal.  
To aid the missions—is its aim,  
Throughout the world to spread Christ's name.

Our Polish Club won every heart,  
Each member tries to do her part.  
With the Queen of Poland as its guide,  
It is our school's the foremost pride.

Although Latin may be quite dry,  
To all the girls the club ranks high.  
Each member has her Roman name,  
And strives to win her club great fame.

Good authors we are taught to love,  
In the club we hear so much of.  
Of course it is the literary,  
Where in grand work our minds we bury.

Our Glee Club meets on Friday noon,  
To raise its spirits with a tune.  
The "Language of the heavenly sphere",  
Is truly loved in every career.

And now you all know why we say,  
Our life at O.L.A. is gay.  
It is also shown to you clear,  
Why our five clubs to us are dear.

## NAJDROŻSZYM RODZICOM

Już nadszedł czas, gdy mamy opuścić naszą ukochaną Alma Mater. Nareszcie —dopięliśmy naszego długo-oczekiwanego celu—wstąpienia do Nowicjatu! Czuujemy, że to nie tylko nasz obowiązek, lecz również domaga się tego od nas miłość i wdzięczność, aby wynurzyć nasze najserdeczniejsze „Bóg Zapłać.” Tak, niech Jezus tysiąckroć odpłaci Wam, Najdrożsi Rodzice, tę dobroć, miłość i opiekę, którą odczułyśmy przez te cztery lata w Internacie.

Nie zapomnieliście o nas, Kochani Rodzice, chociaż opuściliśmy nasze rodzinne gniazdko. Nieraz odwiedzaliście nas okazując nam zawsze wielkie serce i troskliwość. My, zaś, z wdzięcznością i miłością na was spoglądałyśmy. Tak, z wdzięcznością prawdziwą, bo przez waszą współpracę, pomoc i modlitwę, dopomogliście nam pójść za wołaniem Mistrza. Dopomogliście nam chętnie, aby ułatwić pełnienie Woli Bożej. Zrozumieliście, Kochani Rodzice, że Bóg przysłał nas na ten świat, aby Go doskonale poznać, służyć Mu święcie, i umrzeć z miłości jedynie dla Niego. Dlatego też kochacie nas nadal i pomagacie nam w osiągnięciu tego celu. Rozumiecie to dobrze, że powołanie do stanu zakonnego jest specjalną łaską Bożą, więc też cieszycie się z nami, a wzamian za ofiarę, jaką czynicie dla Boga, On wam sto-kroć więcej udzieli tu na ziemi a potem w niebie.

Oceniamy Waszą miłość, dobroć i troskliwą opiekę. Nie zdołamy wyrazić należycie naszej wdzięczności, bo słowa nie wystarczą do tego celu. Zapewniamy jednak naszych Najdroższych Rodziców, że pamiętać będziemy o Was zawsze u stóp Zbawiciela i Jego Matki Najśw. Bóg jest wszechmocny i miłosierny, i On najlepiej wie, co potrzebujecie. On też niewątpliwie zaspokoi wszystkie wasze potrzeby. Jeszcze raz najserdeczniejsze „Bóg Zapłać!”

## OUR TEACHERS—THE FELICIAN SISTERS

**W**E EXTEND our sincere felicitations to our teachers, the Felician Sisters who as patient laborers have guided our school life during those past four years.

Sisters—We, the Class of 1947 thank you for your zeal in the cause of Christian education. You have given us a clear outlook on the purpose of our existence. You have directed, trained and developed our physical, intellectual, moral and spiritual faculties.

There is no doubt but that the vital force, which inspires these beloved Sisters of ours, has its source in the Blessed Sacrament which they adore daily. In this world of selfishness, strife and hatred they are an outstanding exemplar of generosity and self-denial.

We are happy to share in the culture, service and love which controls the lives of our teachers. Their active, energetic interest in us is a challenge to our own courage and desire for service, to give what we have received. The service that we shall give in the new life opening before us will reflect credit to our dear Alma Mater and our Teachers.

SUMMER DAYS

WINTER DAYS

## THE THREE C's

**S**OME YEARS AGO, much stress was placed on the three R's as the basis of a good sound education. They are important, but there are three C's which are equally important. These are—COURTESY, CHARACTER, and CULTURE. They embrace the high ideals and principles which we endeavored to attain and we know that with these qualities we will be led ever onward and upward.

Courtesy may not seem sound enough to be essential of a good education, yet true Courtesy is an outward manifestation of consideration of others and kindness of heart.

We graduate from O.L.A. to face a troubled world that more than ever needs men and women of character. It has been the aim of our Teachers to mold in us firm characters. The lessons that we learned at O.L.A. are deeply embedded in our hearts, mainly the love of God and a desire to serve Him! What can be a better mold of Character than the desire to reach God's kingdom?

The last C—Culture fits in naturally. Since Courtesy becomes almost our second nature and our Character was developed under religious influence, then the foundation of Christian Culture is laid.

Without, Courtesy, Character, and Culture the pursuit of knowledge is useless. To whatever field of life one is chosen, these qualities are of greatest importance. We may live peacefully and contentedly when through an education we have received these essentials for material, and for spiritual success.

## To My Sister Theresa

The time of temporal parting  
Has come today to us;  
But cheer up, loving sister,  
God will soon unite us.

On your graduation day,  
I bid you a fond farewell;  
Until that happy day  
When together in Christ we'll dwell.

May your departure bring us both  
The happiness we hope for;  
And may God's grace in abundant heaps,  
Pour on you—ever more.

## NASZ DZIEŃ W INTERNACIE

Codziennie raniutko o szóstej' godzinie,  
Żadną interŃnatkę juŹ to nie ominie;  
Dzwonek dzwoni, aŹeby kaŹda wstawaa  
I z pokropieniem Bogu cześć oddawaa.

Po pokropieniu kaŹda się bardzo spieszy,  
Drugi dzieŃ się zaczął—to ją bardzo cieszy,  
Źe moŹe Jezusowi duszą całą słuŹyć,  
RóŹnymi sposobami bliŹnim się przysłuŹyć.

Po pacierzu wspólnym kaŹda się ubiera  
Według sezonu, i do kaplicy się wybiera;  
Mszę świętą poboŹnie, z wiarą wysłuchuje  
I Pana Jezusa z miłością przyjmuje.

Po powrocie z kaplicy kaŹda zjada śniadanie,  
Sprząta obowiązek i wdziewa szkolne ubranie.  
Potem spieszy po książki, lekcje powtarza,  
I wiedzę dziennie jak najwięcej pomnaŹa.

Ranne przedmioty kaŹda pilnie przesiedzi,  
Bo róŹnych pytaŃ Siostra Źadnej nie szczędzi.  
Po obiedzie znowu do klasy powraca,  
Swe myśli od przyszłej zabawy odwraca.

Nareszcie na koniec nauki zadzwoni!  
Jedna po drugiej na rekreację goni.  
Lecz czas opuścić te zabawy, uśmiechy,  
I wracać do książki—i to bez uciechy.

Jedne w uczelni w książkach zagrzebane,  
Drugie się ćwiczą tam przy fortepianie;  
Tu znów dzwonek nam naboŹeŃstwo ogłasza  
I Intki do kaplicy serdecznie zaprasza.

Po naboŹeŃstwie kolacja następuje,  
Po której dzwonek do pracy zwołuje.  
Po pacierzach kaŹda do nauki wraca,  
Albowiem w Internacie—zawsze jest praca.

Nadchodzi czas spoczynku, upragniona noc,  
Dyrektorce i Intkom Źycząc "Dobranoc,"  
KaŹda spieszy do łóŹka, modląc się znacznie,  
Bo wie, Źe nazajutrz taki sam dzieŃ zacznie.

## A BACKWARD GLANCE

**A**S I GLANCE backward on my school days, the full realization of one of the greatest privileges dawns upon me. It is the privilege of a Catholic education.

My teachers have been religious Sisters, members of the Congregation known as, "The Felician Sisters, O.S.F.", who have sacrificed their lives for the promotion of Catholic education. Yes, the Felician Sisters who have been my teachers from the very first grade in grammar school and through High School, have impressed themselves deeply upon my heart and mind. Today, I fully realize that the Sisters have had one point in view and that was to teach us to the best of their abilities, honestly and fairly. Convent life does not interfere with the use of modern educational methods. The Sisters continue taking summer courses at various Colleges and Universities at home and abroad and thus the schools in which they teach make rapid progress.

The Sisters have shown consideration for the individual needs of the students. Encouragement was daily given and with confidence one succeeded in school work.

I am greatly indebted for the welcome that the Catholic school has given me each day of my attendance. I am happy to be a recipient of a fair and wholesome education.

## A Final Word of Gratitude

To Reverend Mother Mary Catherine—For her religious and material interest in us.

To Sister Mary Viterbia, Principal and Directress—For her kind interest in our undertakings.

To Our Teachers—For their devotedness and kindness.

To All the Felician Sisters—Who have been so good to us.

To Our Reverend Pastors—For their love and generosity.

To Our Parents—For sending us to O.L.A.

To Our Benefactors—For their generosity toward us.

To Sister Mary Emilite and Sister Mary Laurretta—For their "sacrifice" behind the scenes on the occasion of our plays.

To All Those—Who by their presence at our entertainments gave us encouragement.

To Our Photographers—Who made us beautiful.

To Our Advertisers—Whom we hope all Angelite readers will patronize.

To Our Printers—For printing the best Year Book to date.

## Adieu

Now we must leave you, dear O.L.A.  
But we really did enjoy our stay;  
And now as we depart from you  
We bid you our last "Adieu".

You have certainly prepared us for life,  
To take what comes, both work and strife;  
For the knowledge we've gained through you,  
Accept our gratitude at this last "Adieu".

No other school means so much to us,  
As the one we have been taught to trust;  
For morals, teachings both good and true,  
We render thanks at our last "Adieu".

With you we've spent our carefree days,  
And benefited much in many ways;  
With heads held high we'll speak of you,  
Whenever we think of this last "ADIEU".
